

The logo for Galaxy features the word "GALAXY" in a bold, dark blue, sans-serif font. A stylized green and teal swoosh, resembling a planet's ring or a comet's tail, curves around the letters "A" and "X".

GALAXY

An invitation to visit our new

***Re-use and Recycling
Facility***

We've been quite busy ...

We have moved! And we would like to invite you - and your colleagues - to visit our new re-use and recycling facility.

We will give you an overview of all the workflows involved in safely, securely, and sustainably processing Guernsey's electrical waste and computer hardware for reuse or recycling.

Simply get in touch and let us know a time and date that would suit you. We welcome visits from both individuals and staff teams.
